Message From The Supreme Tall Cedar

HARVEY "BUD" WILLARD

Strength and Unity

AH TAM! AH TAM! THOU'LL GET THY FAIRIN! ROBERT BURNS (1759-1796)

In 2012, you will see me wearing a Pyramid. "Ah the Tam" will wait for another day to show my heritage. In life, I have relied on the direction God has sent me and on goals I have set for myself. In the late 1960's my goal was to be Supreme Tall Cedar. It is because of you and your support, I have achieved that goal. It is a great opportunity to serve and represent you in 2012.

I extend my appreciation to PSTC John and FFL Diane for the dedication they offered on behalf of cedarism, during 2011. Changes were made in 2011 and are going to continue in 2012.

Our goal, at Mid-Winter Conference was to provide a weekend of fellowship. Fellowship, that was enhanced from the "Singing Cedars Chorus" to the Celtic sounds of pipes and of string instruments. In between these sounds, the Supreme Forest made some changes:

1. Resolution 12-82.. Be It Hereby resolved as an addition to the usual tuxedo rules, Celtic dress (kilts of own tartan) is proper attire from below the waist and to include hose and flashers.
2. 12-01 Article IX—D Officers....Constituent Forest Delegates – By-Law change was approved... that being said, it now becomes the responsibility of each Constituent Forest to select or elect at least two (2) delegates to help represent that Forest at Supreme Forest sessions. The selection must be made and handed to your DDSTC by March 1, 2012. The attendance of these delegates will be monitored as for consideration toward permanent membership in Supreme Forest.

In 2012, we will:

- A. Monitor expenses and will establish plans, with your help to expand Cedarism. I have challenged the Membership committee and asked that they develop a plan to "sell" Tall Cedars to the "Baby Boomers", especially with the use of social networks. The Extension committee was asked to focus on building Cedarism in New England and the Southern states. Let's all work to fight negative surveys and predictions by fortifying our kingdom

Message from The Supreme Tall Cedar (Contd)

- B. Continue to “Grow Greener” in 2012.
- C. Challenge the Supreme Forest Board of Directors towards making sound decisions for the future of Cedarism.
- D. Continue traveling :
 1. South to Atlanta for the Grand Masters Conference, to Alexandria for the George Washington Masonic Memorial for a re-dedication, to Mount Vernon for the wreath laying at George Washington’s tomb, to Tennessee for the Cave degree
 2. West to visit Ohio, Indiana, Illinois and Missouri
 3. East for our annual session in New Jersey where the 2012 committee will continue the fellowship.
 4. North to the Thanksgiving road race in Manchester, CT.
- E. Support Youth programs. I ask that you visit a DeMolay, a Rainbow for Girls and a Job’s Daughter meeting soon. You will never be the same.

Please review the flyers, support the Bowling event in April, the Convention in May, the STC trip to Branson in June and the Sportsmen’s & Cash Giveaway in July.

Our SDSTC has proposed some By-Law changes, please review them.

In closing, I thank the 2012 Committee chaired by our Supreme Treasurer Larry Donis. This committee has supported me for more than three (3) years now. Our ladies showed their class for a classy lady at Mid-Winter.

Lastly and most important, I thank my wife Nancy and my children for all their support. We Tall Cedars are the smart Masons; we invite our ladies to travel with us.

With Love and Respect to You All,
Harvey “Bud” Willard

SENIOR DEPUTY SUPREME TALL CEDAR

RICHARD G. "DICK" FEESER

I am deeply honored to be able to serve our CEDAR Kingdom as our Senior Deputy Supreme Tall Cedar. I thank you for your vote of confidence in Electing me and I pledge my continued efforts to work with each Forest and its members to accomplish your Goals of making your Forests Larger, more serviceable to your community, Greater fun for its membership and administratively stronger.

I am excited about working together with our STC Harvey "Bud" Willard especially as he emphasizes "Strength and Unity" and our JDSTC Barry Sheaffer as we jointly work together to grow the Business of Tall CEDARISM. I'm also very excited about the continuation of the Pyramid Program for New CEDARS joining our Forests.

In Maryland this coming May 5, 2012, our MWGM Stephen J. Ponzillo, III has declared that all Blue Lodges in the State will hold an OPEN HOUSE for the public to visit us and see what our Fraternity is all about. He has also made the request that all appendent Bodies should have representation at each of the Blue Lodge OPEN HOUSES in order that the public can also learn more about Tall

Cedars and others as well as our Charities. Should be Great exposure / Public Relations for Tall CEDARISM.

I now want to call your attention to our upcoming Supreme Convention to be held in Wildwood, N J between May 8 – 13, 2012. General Session & Voting on Friday – May 11, 2012. There will be (4) Bylaw amendments to be considered and here is a brief description of the purpose of each change.

1. This amendment allows for our Supreme Forest Officers to legally wear the Tall Cedar Aprons we purchased a year ago as well as Forest Officers who have purchased Forest Officers aprons for when they attend their local Grand Lodge Functions & Lodge meetings in presentation of Tall Cedar Programs!!

2. This will allow for the appointment of a Budget & Finance Sub – Committee to prepare our yearly Budget and also to track our BUDGET to ACTUAL Income & Expenses and advise the Board regularly so we can take steps during the year if we see figures getting out of control!!

3. This amendment will allow for the addition of 2 more color / classes of Pyramids so that our organization can properly recognize our Brother Cedars who have attained the level / recogni-

tion of Right Worshipful Grand Master of any Masonic jurisdiction and any Past Right Worshipful Grand Master of any Masonic jurisdiction.

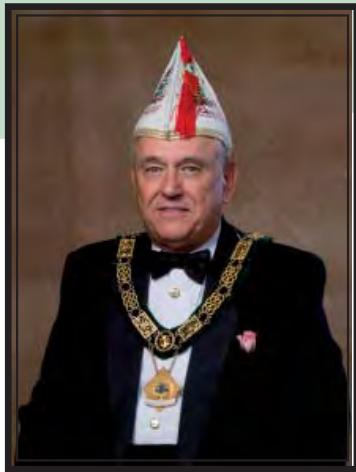

4. Per Capita Tax & Assessments: This amendment will allow for increasing our current Dues structure and should provide us with Funds that we can replace those taken out of reserves over the past 1 ½ - 2 years for abnormal expenses due to unforeseen operational expenses and a decrease in income due to less membership. It will also provide sufficient Funds so we can Balance our Budget & put money back into Reserves. Amendment will also provide a penalty charge for Forest that haven't file their Dues in a timely fashion.

Hope each of you will attend Convention to vote in favor of these needed changes!!

I'm looking forward to seeing many old Friends and making many New acquaintances & Friends as I travel over these next 2 years to many of your areas. I also hope to see a large number of you at our upcoming Supreme Convention in Wildwood, NJ. Always a wonderful time enjoying CEDARISM at its Best!!

JUNIOR DEPUTY SUPREME TALL CEDAR

Barry L. Sheaffer

Brother Cedars

I wish to express my deep gratitude for allowing me the honor to serve our fraternity as the Junior Deputy Supreme Tall Cedar. I am very proud of the Tall Cedars of Lebanon and what they have accomplished over the more than one hundred years we have been in existence. It has taken a lot of hard work by many men to bring us to this point in time. Just as the work of the hewers in the forests of Lebanon was not easy, the work we have facing us today will not be easily accomplished. I am eager to continue the work to strengthen our fraternity and ask that you join with me in this labor of love.

The most laborious task we face today is to bring more good men into the Forests. Membership has been declining and we need to double, nay, triple our efforts to increase the membership roles. We are at a critical crossroads and every new member is necessary

to sustain the longevity of our fraternity. This is a task that does not rest on any one individual's shoulders, but is the responsibility of each and every member. New members can only come from one place and that is our Blue Lodges. We need to make contact with all members of our individual lodges and ask them to join with us in the "fun, frolic, and fellowship" found through the Cedar Kingdom.

To assist you in your recruitment effort a new brochure has been created to tell the story of the Tall Cedars in words and pictures. The new brochure should generate an interest by prospective members. Hopefully, the brochure will be the catalyst for increasing the number of members in each Forest. In many instances, the brochure alone may not be enough, so you need to be prepared to seal the deal. Keep a petition at the ready and get involved in the recruiting process.

I look forward to meeting

and talking to those of you attending the upcoming Annual Convention in Wildwood, New Jersey in early May. This will be the first convention where each Forest has the opportunity to send delegates to the Supreme Forest Session. The Forest delegates will enjoy full voice and voting rights in the session. Encourage your Forest to send delegates to the convention and participate in the Supreme Forest Session.

My slogan for 2014 is "believe and achieve". By this I am referring to our belief in our fraternity and its tenets of, "fun, frolic, and fellowship", belief in our efforts to find a cure for neuromuscular diseases and belief in our ability to strengthen our organization. **BELIEVE AND ACHIEVE.**

SUPREME SCRIBE

William Klinefelter

As we start the year of 2012, I look forward to working with the newly elected Officers and the new Directors on the Board.

The year 2011 was a challenge for the Board, with the new heating system, new lighting, new lock system on all the doors, at the office. There was also the new room at the George Washington Memorial. Then the flood of the century. We didn't flood out, but it sure created problems. To all of

the Forest Members who gave of their time to prepare for high water I extend my thanks to all of you.

At the 2011 Mid Winter Conference, we were presented with the vote, for the Green Hats to vote at convention. As I write this article, that vote has not taken place. There will be several items that will be voted on at 2012 Convention. You will find each one in this edition of the Cedar Digest. I would ask you to study each one and come prepared to vote on them.

In February we will have a dedication of the new display at the George Washington Memorial. The new display cost the Cedars \$35,000.00. The dedication will be held on February 22, 2012. There will be a full day of activities, if you are free on that day, feel free to join us for the celebration.

On March 11, 2012, we will be honoring George Washington with the wreath laying at his tomb, in Mt. Vernon. This has always been a nice time for the Tall Cedars. This is the only time that the tomb is opened and we are allowed to enter the tomb and place the wreath. This should bring us up to date with a few of the events that we have to look forward to this year.

In closing, don't forget Convention. We will be voting on the By - Law changes. If you don't vote, then you cannot complain how the vote turns out. We will also vote for the officers for 2013. There will be contests for the JBSTC, Supreme Scribe and Supreme Director. You will find the information on the candidates, in this issue. I will be seeking my final year as Supreme Scribe, and I ask for your vote.

William Klinefelter, Supreme Scribe

SUPREME TREASURER

Larry Donis

Greetings and Happy New Year

First I would like to thank PSTC John Shoop for appointing me Supreme Treasurer, and I will do my best to uphold the duties of Treasurer. Second I

want to thank STC "Bud" and Jan for their help in getting things in order for me.

We need to support STC Bud during his year as he endorses his program to promote Fun, Frolic and Fellowship during his year. Remember we need to go to our roots of Blue Lodge to help us increase our members and grow in harmony our Lodges and Forests.

We just had one of the best Mid-Winter Conferences in many years, and I know with your support to STC Bud and the Supreme Forest we will have a great Convention and bright future of Cedarism.

Larry
Supreme Treasurer

REPORT FROM THE TALL CEDAR FOUNDATION CHAIRMAN

This year, we will be presenting \$348,000.00 at the MDA Las Vegas Telethon. Hopefully, with the economy gaining strength and perhaps gaining new members who believe in our charity, we will be able to get more contributions this coming year. Our current programs are: Bears, Rose sales, and Appeal Letter. The 2011 appeal letter to date has brought in \$19,312.00 profit and hopefully we will receive more in the near future. The Foundation thanks the contributors for their donations. I am happy to announce that those members and families attending the church service at Mid Winter donated \$460.00.

This year, at the request of STC Harvey Willard, The Foundation is sponsoring an Eat Out to benefit MDA. He has requested the Tall Cedar Foundation Board of Directors to develop the concept of a National Eat Out Week fundraiser to benefit MDA. The program has a two-fold purpose; to raise funds for our charitable objective, and to create awareness of the Tall Cedars in the local communities where we have Forests. Hopefully, we will have enough support from Cedar and non-Cedar families for this event. He has designated April 22nd – 28th 2012 as the Tall Cedars' National Eat Out Week. The program was kicked off at Midwinter Conference. Full details for developing the eat out has been forwarded to the GTC's, DDSTCS, Foundation Directors

and Trustees. A flyer to be used for the eat out is elsewhere in this Digest.

The passing of the gavel to Hunter Burk from Colin Studlack and introductions of their families at Midwinter were very impressive. Hunter was a little shy for his first outing but gave us a big smile. Tall Cedar Foundation Trustee Paul Triviets is the escort for Hunter Forests who want Hunter to visit them, please contact Brother Paul.

The Wii will be available at Convention again this year. It will be available for the Ambassador and past Ambassadors, their siblings and escorts to enjoy themselves during inclement weather, etc. A room equipped with a TV will be set aside for them. This Wii was available for the past two years at Convention and was enjoyed by all.

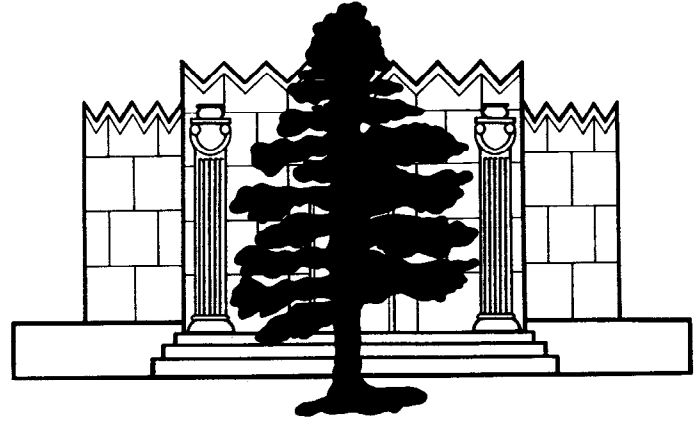

Bear program - The Board is going to auction off Five 2012 Bears which have been numbered one through five with the signature of the Supreme Tall Cedar at convention. He is

wondering what his signature is worth. Walter Manhart has 2006, 2007, 2008, 2009, 2010, 2011, and 2012 bears for sale. If you need any of these bears, please contact him, your Trustee or Director. They will be on sale at convention. The Board has approved to obtain an E-Bay account to determine whether we can sell them on E-Bay without losing money. The bears will be available in 2013.

The MDA Telethon format for 2012 has changed. The show will begin in Las Vegas at 3 p.m and end at 9 p.m. PDST on Sunday, except for the Eastern time zone where it will be seen live from 6 p.m. – midnight. In other time zones it will be on a tape delay basis for station pick-up also from 6 p.m. – midnight. Hopefully I will have more detailed information at Convention regarding any future Telethon format changes.

Make A Muscle (the old Ride and Stride) is a MDA program which usually meets in a mall or a similar venue. Forest members and Cedarettes obtain donations from friends, relatives, activities and then attends the event in their area. There is music, food, walking a short distance and meeting other persons from various walks of life who attend these Make A Muscle events. The dates and locations of make Muscle in March 2012 are available from your TCF Director or go to MDA.com on the web.

HONORS 12 AMERICANS FOR NATIONAL FAMILY CAREGIVERS MONTH

TUCSON, Ariz., Nov. 1, 2011 - November is for Thanksgiving and for honoring more than 65 million family caregivers who are assisting loved ones with disabilities in the United States. The Muscular Dystrophy Association is recognizing all caregivers by saluting 12 extraordinary people during National Family Caregivers Month.

The dozen individuals being profiled on the special MDA [Salutes Caregivers](#) page of the mda.org website throughout November provide vital services to individuals with progressive muscle diseases.

The notable group of caregivers includes grandparents, parents, spouses, siblings, children and friends in both large and small communities:

Paula Vanderhoff, Louisville, Ky.

Leisha Roberts, South Jordan, Utah

Carol Ross, Albuquerque, N.M.

Kelly Ragan, Saratoga Springs, N.Y.

Bob Poole, Parma, Ohio

Rainy Christopherson, Peshtigo, Wis.

Lisa Cozza, Marysville, Mich.

Wendy Utman, Greenacres, Fla.

Jane Pease, Gray, Maine

Linda VanVilet, Hellertown, Pa.

Donna Sutton, Swoyersville, Pa.

Kay Bracero, New York, N.Y.

In addition to being companions, family caregivers are cooks, nurses, chauffeurs and more. In some cases, neuromuscular diseases affect mobility and communication, so family caregivers may act as their loved ones' arms, legs and voices.

Nancy O'Dell, "Entertainment Tonight" co-anchor and MDA ALS National Ambassador, understands what it takes to care for a loved one who is very ill.

"If you're someone like me, who had a family member that was affected with a serious disease, you probably have some idea of the tremendous importance of caregivers," O'Dell says in her video welcoming visitors to the [MDA Salutes Caregivers](#) website page.

The online destination also features videos of families having appeared on the MDA Labor Day Telethon, as they tell their stories of life with a neuromuscular disease.

"Through my involvement with MDA," adds O'Dell, "I've learned more and more about the hard work, skill and dedication that's shown on a daily basis by those who care for others."

The multifaceted MDA Salutes Caregivers page allows individuals to post thank you messages to caregivers, and also provides helpful resources such as "Holiday Stress Busters for Caregivers" and "A Dozen Ways to Ask for Help."

"MDA provides outstanding clinical care, funds ground-breaking neuromuscular research worldwide, facilitates hundreds of support groups, and loans equipment for families living with progressive muscle diseases," notes Gerald C. Weinberg, MDA President & CEO. "But there's no substitute for loving caregivers who provide vital support - often around the clock - 365 days out of the year."

About MDA

MDA is the nonprofit health agency dedicated to curing muscular dystrophy, ALS and related diseases by funding worldwide research. The Association also provides comprehensive healthcare and support services, advocacy and education. See the award-winning MDA "Make A Muscle, Make A Difference" PSA.

In addition to funding more than 300 research teams worldwide, MDA maintains a national network of some 200 hospital-affiliated clinics; orchestrates hundreds of support groups for families affected by neuromuscular diseases; and facilitates extraordinary local summer camp opportunities for thousands of youngsters lighting progressive muscle diseases. Known globally for the MDA Labor Day Telethon, the Association is the first nonprofit to receive a Lifetime Achievement Award from the American Medical Association "for significant and lasting contributions to the health and welfare of humanity."

MDA benefits greatly from the year-round fundraising involvement of thousands of local, multi-regional and national sponsors. MDA's current roster of national sponsors includes: Acosta Sales & Marketing Co., Bally Total Fitness, CITGO Petroleum Corporation, ClubCorp, Dr. Pepper Snapple Group, ERA Franchise Systems, Inc., Harley-Davidson Motor Co., International Association of Fire Fighters, Jiffy Lube International, Lowe's Home Improvement, National Association of Letter Carriers, National Coalition of Associations of 7-Eleven Franchisees, Safeway, Inc., Tall Cedars of Lebanon of North America, and World Wrestling Entertainment (WWE).

TALL CEDARS SUPPORTS DEMOLAY

TALL CEDARS DID YOU KNOW THAT FACT??

It works like this:

- ✿ A Forest makes a visit to a DeMolay Chapter, therefore contact is made.
- ✿ A DeMolay Master Councilor works hard to be a Past Master Councilor Meritorious Service Award (PMC MSA).
- ✿ International Supreme Council recognizes his hard work, and then starts the award process. Your local State DeMolay Executive Secretary prepares the necessary Award Certificate and the PMC MSA Pin.

Now, it is up to you, Tall Cedar, to make sure Tall Cedars are in the loop!!
The presentation is available from your District STC.

Westmoreland DeMolay Teams up with Westmoreland Forest 77 Tall Cedars of Lebanon To Fight Muscular Dystrophy

On September 2nd and 3rd some of the members of Westmoreland DeMolay and Westmoreland Forest #77 Tall Cedars went out to raise money for Muscular Dystrophy. From Left to right you have Adam Neubauer Master councilor, Charlie Johnston P.G.T.C. and Isaac Holtzer Past Master Councilor. They are ready to take a bite out of Muscular Dystrophy with a rose, a smile and a thank you. Westmoreland DeMolay has been helping to raise money for Muscular Dystrophy for about 3 years.

On September 3rd we spent some more time raising money for Muscular Dystrophy. This was another very successful day. We think it is great to have Kids helping kids. That is what this is all about. We can walk and play. We want to see every child playing. Today Calvin Lasswell was able to help us raise money for MDA.

SUNBURY FOREST NO. 65 MDA JAIL-A-THON - NOVEMBER 30, 2011

Sunbury Forest No. 65 TCL participated in a MDA Jail-a-Thon on Nov. 30, at Garfield's Restaurant located in the Susquehanna Valley Mall, Selinsgrove, PA. Sunbury 65 TCL is starting a new Clown Unit, and the MDA Jail-a-Thon was their very first Clown Job! The Cedars pictured are Kevin Staschiak, PGTC (Kippy the Clown), John Gilgabauer, PGTC, and Lenny Diehl (Limp the Clown). A good time was had by all and I personally guarantee that this was a MDA Jail-a-Thon that won't be soon forgotten! Lenny and Kippy actually were asked to leave the Mall by the mall security guards! But that was already after we had already cheered the day up for a whole bunch of mall shoppers and little kids

MISSION ACCOMPLISHED

Reilly Johnson 2006 Goodwill Ambassador

I am happy to report that during the last week of October, Reilly Johnson and his family brought home a new handicapped equipped van. This was due to the generosity of Tall Cedars, members of the public and a very generous man named Scott Wagner, owner of Penn Waste in York, PA. Scott met the Johnsons this past summer when Reilly sang at a charity event.

The Johnson's old van finally died, so a search was done to replace it. A 2011 Chrysler was found in North Carolina, the van was equipped to fit their needs and the price was right. Nan and her mother flew to North Carolina and picked up the van.

I would like to thank all the Tall Cedars, members of the public and Scott Wagner for making donations to the van fund. Because of your generosity, the Johnsons have a new, reliable van and no van payment.

Fraternally,
Mark Brumaghim, PGTC #43

PENN FOREST NO. 21

ANNUAL CORN BOIL PICNIC

Penn Forest #21 Chester, Pennsylvania holds an Annual Corn Boil Picnic every August. The August 20, 2011, corn boil, like all the previous corn boils started very early with a number of the members shucking a whole lot of corn. We then set up the tables; lit the charcoal; cooked the food; cooled the Cedar Sap and other beverages; and finally happily served everyone. Besides fresh cooked corn on the cob, we serve hot dogs, hamburgers, chicken, baked beans, potato salad, and desserts. The Forest Officers are thankful to all those who made the delicious beans, salads, and desserts.

The photos show our Brothers, wives, families, and friends enjoying the day. Also, the Brothers and Cedarettes of Brandywine Forest #20 joined us for food and fellowship.

Larry DiPietro, PGTC Penn Forest 21, and accompanying band members provided some outstanding musical entertainment.

Everyone had a great time, great food, and great fellowship. We look forward to August 18, 2012, when the Penn Forest will host another terrific Corn Boil.
