Message from The Supreme Tall Cedar

Curtis R. Beam, Sr.

Hello Brothers,

I hope everyone is having a good year as we get ready to close 2016. I would like to thank everyone for their support this year not only to me, but to the Cedar Kingdom.

We still have a lot of work to do. Our membership still needs to grow, so don't forget to attend your Blue Lodge and talk about Tall Cedars and invite them to an open meeting. Let's keep working to grow our Forests and membership.

Speaking of growing, we started a new Forest in Alabama, Alabama State Forest No.218. We are working on a few more, but we still need our current Forests to grow and become stronger.

Don't forget to check out the Supreme website as it is constantly being improved and updated. A lot of forms and information are located there.

I would like to congratulate all the officers for the 2017 year on their elections. I know Mark Brumaghim, our Supreme Tall Cedar-elect, has been working hard to improve and keep the Supreme Forest running well. James Morrison, our Senior Deputy Supreme Tall Cedar-elect, is planning a nice Midwinter along with other things for his year. Leslie Metcalf Jr., our Junior Deputy Supreme Tall Cedar-elect, congrats and enjoy. So please support them in the next year.

I would like to thank Mark for his support and help this year. I also would like to thank everyone in Cedarism for their help and support this year, especially my officers. They really worked together and will continue to next year.

Lastly, I would like to thank my wife, Margie, and my family for their support. It would not have been possible without them.

Curtis R. Beam, Sr.
Supreme Tall Cedar

SENIOR DEPUTY SUPREME TALL CEDAR

Mark Brumaghim

Tall Cedars and Ladies,

Well summer is winding down. I hope everyone had a wonderful and safe summer. We had our Supreme Gun Raffle on July 30, 2016 at the Gratz Fairgrounds. It was a very nice event.

With fall approaching, it's time to think about Tall Cedar activities for the remainder of 2016. We should be thinking about our Fall Ceremonials and membership. All Forests should be holding a Fall Ceremonial to bring in new members. If your Forest is not doing a Fall Ceremonial you should be asking your Grand Tall Cedar why not. Part of the Grand Tall Cedar oath of office is that the Grand Tall Cedar will hold a Ceremonial. There's no reason why every Forest shouldn't be holding a Fall Ceremonial to bring in new members. Also if your Forest brought in new members during the year using the short form, then a Fall Ceremonial is the time for them to see the Prologue and Royal Court and to receive the Sidonian Degree. It's nice when a Forest can produce a live performance of the Prologue and Royal Court; however with the DVD, a live performance is not required.

Included in this edition of the Cedar Digest is information on the 2017 Supreme Tall Cedar trip. We will be cruising to the Eastern Caribbean stopping in Bermuda, St. Maarten, San Juan, Puerto and Labadee, Haiti (a private island). I hope you will join Sue and me on this trip which will include a lot of Fun, Frolic and Fellowship.

Also included in the Cedar Digest is a list of jobs that have not been filled to date. Please take a look at the list and if you are able to take on one of the jobs, please call me at (717) 652-4671 or email me at msbrum@comcast.net. Any assistance you could give me will be greatly appreciated. I hope everyone has a great remainder of 2016. Sue and I would like to wish everyone a happy holiday season.

Fraternally,
Mark

JUNIOR DEPUTY SUPREME TALL CEDAR

James R. Morrison, Jr.

Tall Cedars,

Time has flown by since I became the Junior Deputy Supreme Tall Cedar. I have enjoyed serving in this position very much. My time spent working with our membership and the Supreme Tall Cedar, Curtis Beam, and the Senior Deputy Supreme Tall Cedar, Mark Brumaghim has been an experience moving Cedarism to the forefront of Free Masonry.

I am finding in my travel to other Masonic Events that Tall Cedars is becoming a topic with our Brothers having an interest in wanting to learn more about our fraternity. This is a good way to get new Tall Cedar members everywhere we go.

As always being a Tall Cedar is a privilege that we should always be proud to be a part of. Brethren, let us all be united in the fun, frolic, and fellowship of Cedarism.

SUPREME SCRIBE

Dennis R. McClanahan

What a summer we have had. We all know it was “Hot” but the Tall Cedar events and activities continued throughout the Cedar Kingdom. The Convention in Wildwood, the Gun Raffle in July, and the many District and Forest activities kept everyone busy. It is my hope that you were able to attend some of these functions. We need the more senior members to tell our younger members how much Fun, Frolic, and Fellowship we have had in past years and “Get them Involved”.

Congratulations to all the Officers for 2016 and also to our new line for 2017. Give them your support for another excellent year. It has been an honor to serve as your Supreme Scribe for 2016.

Remember our One Day Class on October 29, 2016 throughout Pennsylvania. It is an opportunity to reach out to the many men who may not be able to join the traditional way due to job restrictions. Also, Scottish Rite, Shrine, and of course Tall Cedars.

TALL CEDAR FOUNDATION CHAIRMAN

WILLIAM W. WARD, SR.

OH NO, I'm late again! I just got a call from Jan Stanton (Supreme Forest Office) saying she was proofing the Cedar Digest, and looking at a blank page where my article was supposed to be. Another job that nobody knew she did.

A call to Tracey Denton, MDA, for information on the latest thing in MDA, which happens to be ALS news. Osaka-based Mitsubishi Tanabe Pharma announced today that its New Drug Application (NDA) for the drug edaravone to treat people with ALS (amyotrophic lateral sclerosis) was accepted by the U.S. Food and Drug Administration. As I sit here typing my article, Channel 10 is talking about the new drug which is showing progress in slowing ALS and restoring or clearing some memory.

This is being made possible from funds raised by the ALS Ice Bucket challenge. "This is an exciting step toward providing individuals with ALS access to effective drugs," said Amanda M. Haidet-Phillips, Ph.D, MDA's Scientific Program Officer for ALS. "Thanks to the ALS Ice Bucket Challenge millions of people now know the progressive and unrelenting effects of this disease on individuals and the families who love them. What people may not realize is that there are few treatment options currently available to prolong quality and quantity of life. We look forward to — and actively fund efforts to hasten — the time when effective ALS drug therapies are available."

The funding of 25 new research, development and research infrastructure grants. With a nearly \$7 million commitment over the next three years, these new grants are now supporting investors seeking to advance the state of science and accelerate treatments and cures across the diseases in MDA's program.

These grants showcase MDA's powerful approach to neuromuscular disease research. MDA funds the best science across all the different diseases in our program with the expectation that breakthroughs in one disease will unlock new insights and discoveries for others.

I hope that when you got your appeal letter, you sent some money in for MDA, but if you did not, there is still time to send it to the office.

SUPREME CHAPLAIN

REV. EDDIE D.D. MILLER

Cedars,

As I write this, summer is half over. For some, picnics, vacations, etc. are already passed and for others they are just beginning. Some of you Cedars are still young enough to be looking forward to your children going to school in the fall and many others are looking for the closest porch and rocking chair to relax.

Over this past year and a half, I have gotten to know many of you from various ages and stages of life. At times, it has been fun just comparing our ages and stages. In those times of fun, fellowship and frolic, I have especially experienced our common humanity. Because of this, we realize our need for each other and more importantly, Our Creator, who is constantly with us. In Psalm 23, David reminds us of God's presence and care for us as the shepherd. Over this past year, many of us have struggled with losses in our lives. In times like these, our brotherhood can mean a lot, often consoling, counseling or just quietly acknowledging our human condition. When we forget our human condition, we lessen the importance of being there when members of our fraternity are in need. I find that the more times we take advantage of opportunities of the fellowship our local Forest offers, the closer we draw to one another and ideally, fellowship with its desire to know one another develops.

Our faith is like our Cedar fellowship at times. We yearn to be closer to the One who initiates the relationship. I hope all of us are "yearning" to be together soon in the fall, getting to know one another better as we support our Forest to grow in attendance with current members and with "saplings" we seek out.

May all of you have the year 2016 as a year of pleasant memories and the rekindling of friendships.

2016 GOODWILL AMBASSADOR

TALL CEDARS OF LEBANON 2016 GOODWILL AMBASSADOR SHELBY VANVLIET

(L-R): Supreme Tall Cedar Curtis R. Beam and Shelby VanVliet

Shelby was born on December 14th 1999. At the age of three she was diagnosed with Congenital Muscular Dystrophy at the Good Shephard in Allentown, Pennsylvania.

Hellertown, Pennsylvania is home to Shelby, her parents Linda VanVliet and Ryan Hartnett and big brother Devan.

An outgoing 10th grader, Shelby plays the French horn in the school band and is on the Debate Team. She loves science, animals, and being with her friends. She also sings in her church choir and plays wheelchair hockey.

She appears to be quiet at first but only because she has a very quiet voice due to her disease. She has spoken to many groups through MDA and has appeared on a number of MDA telethons. We feel sure she will be a wonderful Goodwill Ambassador.

To request Shelby's attendance at a Forest function, contact:

FAREWELL MY MENTORS By Larry Donis, Past Supreme Treasurer

Yes you read the title correctly and not "Farewell My Brother". December 13, 2014 I was driving to a memorial service for Past Foundation Chairman Jim Thomas and I realized that Jim was my mentor and sparked my interest for the Foundation and to help those afflicted with Muscular Dystrophy. Oddly enough I was traveling to a memorial service for PSTC Hap Horgan and I realized he also was my mentor for the Foundation. These men came from different aspects of life but they also have common bonds; both always had a smile on their face and a spot in their heart for others. Hap's nickname came from him being "Happy" and Jim had a smile like a "Cheshire Cat" with a nickname of "wude". Some of my fondest memories of Jim and Hap came from how dedicated they were to helping "The Kids".

In 2003 Robin and I traveled to Los Angeles for the "Jerry Lewis Telethon" and Hap being Chairman of the Foundation was our host and guide. He knew the "spots" to eat and see. Hap drove us (hail Mary) thru the canyons of LA and the sights of Hollywood on very narrow roads (hail Mary) with breath taking views (hail Mary). We stopped for gas in LA and Hap got out to pump. He put the nozzle in the tank and pushed buttons, took the nozzle out and put it back in and pushed buttons again. Finally he opened the door and said the pump wants to know my ZIP, we said punch in your zip-code where you live, after that Robin and I called him "Zippy".

They both had a great sense of humor and always had a joke for me. Robin would say how Hap had a twinkle in his eyes and I said it was the glaze from all those donuts. As for Jim he had a large E-mail list of about 60 people that he would send his jokes to daily. In fact Jim Thomas Jr. used this list to notify everyone of his Dad's passing and memorial service schedule. In 2006 I traveled to the "Telethon" in Las Vegas with Jim who was the Foundation Chairman and I was the Foundation Secretary and he became host and tour guide. We traveled to Hoover Dam and saw them building the "bridge" above. Our trip was very normal except we stopped on the Arizona side for an ice cream cone and the 110 degree DRY heat melted it very fast.

At both "Telethons" we hooked up with Brian Hunter: who gave us behind the scene tours; at the Vegas one we got to meet Jerry Lewis one on one. Traveling with Jim was very normal; except I got to ride on the rumble seat of his van. We traveled with GWA Shane Burcaw to various events in the area. Now Hap's trips were more exciting as he thought he was driving his patrol car and had the "lights" on. With both men we worked together to raise funds for the Foundation and to help the "kids".

As you travel thru life as a Tall Cedar you leave many footprints during your travels. Jim and Hap left footprints on my heart and I am thankful for knowing them. Farewell My Brothers.

Souvenir Program & Booster Promotion

To all Tall Cedars in the Cedar Kingdom:

Cedarly Greetings,

In years past, your bowling committee has had the voluntary support of the Constituent Forests in promoting our Annual Bowling Tournament. The advertising in the souvenir program is one of the means. Many Forests purchase space in the program to express their support and indicate participation by their members. They also use it to publicize special events, or to identify their Forest Officers and supporting individuals.

Individual members may offer their support and receive recognition in the booster's section of the program. Booster names, at \$1.00 per name per line, will be listed in the program, and since this is a separate promotion, they will be listed in space other than advertising space, unless we are told otherwise. Thus, you will have two opportunities to publicize your Forest. Please remember to send us a complete list of all participating Tall Cedars. Please list all boosters on a separate sheet of paper. We would really appreciate your support in 2017.

Additionally, the souvenir program includes schedule and lane assignments for all events of the Tournament with space provided for individual score recording.

Advertising space prices for the 2017 Program will be:

Back Cover - \$60	7 ½ X 4 ½	Half Page - \$20	3 ¼ X 4 ½
Inside Cover - \$50	7 ½ X 4 ½	Quarter Page - \$10	1 7/8 X 4 ½
Full Page - \$40	7 ½ X 4 ½	Booster - \$1.00	Please list all names on separate sheet of paper.

Please fill in all information below and make checks payable to: Chief Logan Forest No. 131 and send to:

Richard Brown

NOTE FROM PARADE FEATURES COMMITTEE

The Parade Features Committee wanted to take this opportunity to thank Supreme Tall Cedar Curtis Beam, and Supreme Officers, but most importantly all that participated in our Tall Cedar Convention Parade on May 7, 2016. The weather held and there were no incidents of texting while the exhibition marched down Atlantic Avenue in Wildwood.

We did enjoy a slight growth in participation this year and hope to build upon that again. The Convention itself provides opportunities to share with fellow Tall Cedars, young and old, new and seasoned members with their families to enjoy time together.

The Committee is looking forward to next year already and is engaged with the Greater Wildwood Chamber of Commerce in search of ways to enhance the experience. There are ongoing discussions to make positive changes that the Tall Cedars may benefit from. In 2016, the Parade route was shortened by 2 blocks. It is also our hope that local residents will witness the Parade and high school bands will take part in the celebration.

We encourage you to join us in 2017. It's never too early to start planning. If your Forest is a regular participant, thank you, and we hope you continue to be. If not a regular, consider getting involved. For those of you who attended the award ceremonies Saturday afternoon, a surprise traveling trophy was unveiled for Parade "Best-In-Show". Trenton Forest No. 4 received the award in 2016, and will certainly be looking to retain the award. Make your plans now to claim the Best-In-Show trophy for your Forest in next year's Parade.

As always, the Committee wants to accommodate any and all requests to make your Parade experience better. We welcome your comments and questions. Please contact a Committee member at your convenience.

Yours in Cedarism,
THE PARADE FEATURES COMMITTEE
